

2010 PRE-DTS GRADUATING CLASS

On Wednesday, June 23, Freeman and Wayne graduated 11 students from the pre-DTS program.

This is a program using much of the Dunklin curriculum which Freeman has adapted to the Haitian culture versus the addiction culture. It is a 6 month program, where the students live and work and receive training here on the YWAM facility.

We were pleased that these 11 students who began the program in January, graduated and have now moved on to the regular YWAM DTS program, having been joined by 2 additional students from the U.S.

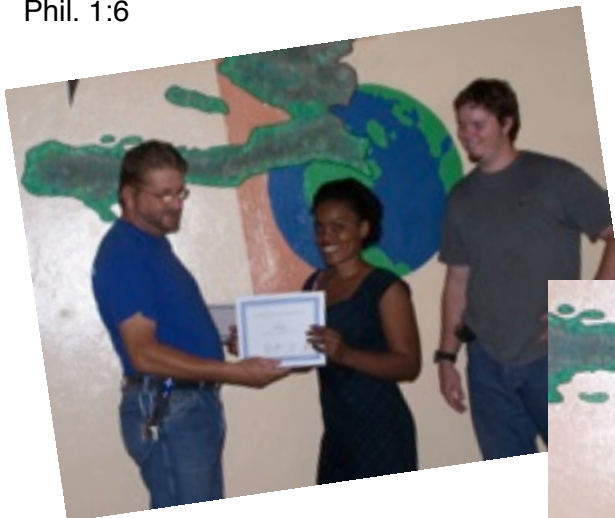

Back Row: Nadine, Marie-Marthe, Alex, Owen, Daniak, Roberte, Wayne
 Standing Middle: Etienna, Claudie
 Front Row: Freeman, Samuel, Mystere, Mark-George, Philipson

Although the festivities were not big, they were powerful. As the students received prayer, and 5 students were baptized.

During the course of the program, 3 of these students left the program, 2 as a result of spiritual battles being fought over them and 1 as a result of his own sin. However, within a matter of days all 3 were restored and finished stronger than we could have imagined. We know that all of these students are a testimony to the transforming power of a living God, and to the Word that says, "...that He who has begun a good work in you will complete it until the day of Jesus Christ." Phil. 1:6
